Mr. Buchan,

My name is Riki Johnson and I am the Plaintiff in the above referenced case for which I understand you are now the attorney of record for Ms. Fliehr, Mr. Fliehr and Brian Shields per John H. Culver, III the attorney of record for World Wrestling Entertainment, Inc..

In lieu of a formal Preservation of Evidence letter due to time constraints and my current self-representation, I would like to bring to the attention of your clients, and in accordance with the Federal Rules of Evidence their duty and the duty of their representatives to preserve any and all evidence that may be subject to discovery in the above referenced case. This evidence includes but is certainly not limited to personal emails, corporate emails, contracts, inter-company communication, text messages, phone records, contracts, postings on any internet medium or platform of social media. Also in consideration are all forms of communication and its content between WWE, Ashley Elizabeth Fliehr, Richard Morgan Fliehr, Brian Shields, St. Martin's press, Melinda Zannoni, Esq. of Legacy Talent in Charlotte, North Carolina and those other individuals or companies involved in the publication and/or distribution of the book "*Second Nature*," and any officers, managers or representatives thereof. I am also of the understanding that there are tangible, hard copy journals used to create and in the publication of this novel. Those documents should be preserved as well. I would also encourage your clients to err on the side of caution if and when they question whether or not content is classified as discoverable and leave same intact and unaltered.

I appreciate your time and attention to this very important matter. Please accept this in the interim until I am able to complete a more formal notice for the preservation of evidence in this case. Thank you.

Sincerely,
